Subject: Statutory Waiver of Delinquent Transfer Penalty due to COVID-19

Texas Department of Motor Vehicles

Please review and distribute as appropriate.

On March 16, 2020, Governor Greg Abbott granted the Texas Department of Motor Vehicles' (TxDMV) request for a waiver of the time in which to apply for title and the associated delinquent transfer penalty as a result of the Governor's Disaster Proclamation. The TxDMV will provide notice when normal titling services have resumed. The waiver is in effect until 60 days after the notice is provided and applies to all counties.

Effective immediately, there is no requirement for a title application to be submitted within a specified time. As a result, the delinquent transfer penalty does not apply to any title application submitted between March 16, 2020, and 60 days after the TxDMV provides notice normal titling services have resumed. Title applications submitted delinquently after 60 days from the TxDMV notice will not be assessed a penalty for any period associated with the waiver.

The purpose of the waiver is to prevent customers from having to physically visit a county tax assessor-collector office, which is why the requirement to apply for title in a specified amount of time has been waived.

HELPING TEXANS GO. HELPING TEXAS GROW.

On March 13, 2020, Governor Greg Abbott declared a state of disaster for all counties in Texas due to the threat of COVID-19. Governor Abbott issued a statement on March 16, 2020, granting a temporary extension to obtain initial registration, renewal of registration, and renewal of a permanent disabled parking placard. Governor Abbott also granted a temporary extension for an individual with an expired 30-day temporary permit to obtain another permit or Texas registration.

The temporary waiver applies to vehicle owners in all Texas counties as set forth in the above-referenced statement. The temporary waiver grants an extension for initial issuance of registration, renewal of registration, renewal of a permanent disabled parking placard, and issuance of a 30-day temporary permit needed to operate a vehicle on public roads. The TxDMV will provide notice when normal registration, permanent disabled parking placard renewal and permit issuance services have resumed. The waiver is in effect until 60 days after the notice is provided and applies to all counties.

The purpose of the waiver is to prevent customers from having to physically visit a county tax assessor-collector office to obtain initial registration or a 30-day temporary permit (when the person's 30-day temporary permit expired); or to renew registration or a permanent disabled parking placard. Customers may continue to renew their registration online at www.TxDmv.gov.

The department will notify you when Normal registration, permanent disabled parking placard renewal and permit issuance services have resumed. The department will notify law enforcement of the temporary waiver, and we will inform the motoring public of the extension granted by the temporary waiver.
