

**REQUESTING FOR DESIGNATION OF LOCATION FOR  
CROSSING OF A CRANE COUNTY, TEXAS ROAD**

**THE STATE OF TEXAS**            §  
   §  
**COUNTY OF CRANE**            §

Crane County, hereinafter call the County, hereby authorizes \_\_\_\_\_  
\_\_\_\_\_, hereinafter call the Applicant, to (bore under) (cut a  
ditch across) (lay a pipeline in the right of way) of \_\_\_\_\_, as  
shown on the attached sketch or plat, for the purpose of \_\_\_\_\_,  
subject to the following conditions:

1. Applicant shall repair the roadway to the condition that existed prior to commencement of the work on the roadway and;
2. Applicant indemnified Crane County against all losses, damages, liabilities, expenses or cost incurred by Crane County as the result of actions, suits or proceedings resulting from the performance of any work in connection herewith as a result of the work performed by applicant or its agents, employees' contractors and subcontractors;
3. In the event it becomes necessary after the date of this agreement for the said county roadway to be widened, applicant will be responsible for all expenses and costs in connection therewith for adjusting, lowering, deepening and casing said pipeline in the County roadway;
4. In the event any of the cut sections of the identified County Road should sink or drop within a five-year period after the above-mentioned repair of such section, the applicant will be responsible for all costs incurred in connection with the adjustment and repair of such damaged sections. Crane County can repair as needed and bill applicant if not repaired in a timely manner.
5. NO work will be done under this permit until written approval has been received by the applicant, and that the office of the County Road Inspector be advised twenty-four (24) hours prior to beginning the work covered by this permit, Road and Bridge Supervisor Victor Sanchez by telephone at 432-940-8802.
