May 5, 2020

Phase I of GA-18

To the Citizens of Crane County

As of May 5, 2020, the Governor's Executive order GA-18 barbershops, beauty shops and nail salons may re-open on May 8, 2020 provided they maintain social/physical distancing between customer stations and that those in waiting areas are either able to maintain the 6 foot distance between them or wait outside. Funerals will be conducted under the same rules as religious services, Wedding receptions will be conducted under the same rules as restaurants. Water outing on rivers will be conducted under the same rules as parks and beaches. Outdoor seating at restaurants must be limited to 6 persons in a party and 6' distancing between tables. Gyms and exercise facilities may re-open on May 18<sup>th</sup> with special hygiene rules. Non-essential manufacturing may re-open on May 18<sup>th</sup>. Must regularly and frequently clean and disinfect surfaces, tables, chairs, doorknobs, and restrooms. Have hand sanitizer available, still practice social distancing. As things change with these orders the County will keep you updated.

Thank you for your cooperation
